# Welcome

Thank you for choosing Arachas as your insurance arranger. Arachas has an agency agreement with Zurich Insurance Europe AG ('Zurich') for the provision of home insurance. Your home insurance is underwritten by Zurich Insurance Europe AG.

Your Home Insurance contract consists of three documents, as listed below. These documents should be read as if they are one document. Please read them carefully and keep them in a safe place. If they do not meet your requirements or if you have any queries regarding the cover or terms and conditions, please contact your insurance broker or us.

## The policy booklet

This booklet details the extent of cover for each of the sections chosen by you and the policy conditions and exceptions.

We would draw your attention specifically to the 'What is not insured' and the 'Policy Exceptions' sections of the Policy which set out what is not covered, and also the Retention Amount section in the Buildings Section (Section A) of the Policy.

## The schedule

Which includes details of the risk address, operative sections and clauses, the sums insured and the period of insurance.

## The statement of facts

The statement of facts is a precise record of the information which you or anyone on your behalf provided to us about your risk. We have relied upon the information in the statement of facts when deciding whether to accept this insurance, what terms to apply to it and the premium to charge.

# Making a Claim

## Emergency Assistance

Accidents can happen. If you are unfortunate to have an accident, you can now avail of the Emergency Helpline, dial **0818 208 408**. (24 hours, 365 days a year).

## What you should do

First, check your Insurance Policy to see if the incident that has occurred is covered by your Policy. If it is, then please dial **0818 208 408**. We will take details of your claim and arrange for an approved contractor to call out to your home and deal with the damage that has occurred. We will also find out what items have been damaged or stolen and take steps to organise replacements for some of them from our approved suppliers. To access information regarding an existing claim simply call **0818 208 408**.

## Claims Notification Period

Please note that unless otherwise stated in this Policy all claims must be notified to Zurich at the latest within 30 days of the occurrence of the relevant event or cause (as the case may be) giving rise to the claim.

However, please refer to the Policy Conditions section of this document and familiarise yourself with your specific obligations when notifying a claim, as failure to comply could result in your claim being refused, where we are prejudiced.

## No Claims Discount

Should no claim arise under the Policy during any one complete Period of Insurance, you will receive a discount at the renewal of your Policy in line with our No Claims Discount scale.

If you make a claim during the Period of Insurance, the No Claims Discount will be reduced to zero years. However in cases where a claim is made in close proximity to the renewal date and the renewal notice has been issued, we may reduce the No Claims Discount to zero years at the following renewal.

### **Note:**

- One complete period of insurance is deemed to be from the inception date to the renewal date of a Policy and a minimum of one year.
- There is a maximum No Claims Discount Scale. Contact us if you would like more information on this.
- The No Claims Discount is non-transferable.

# Underinsurance

## Protecting your home and contents

The purchase of your home represents probably the largest financial investment you will make in your lifetime. To safeguard your financial interest in your property you must insure the full reinstatement value of your buildings and contents. Failure to do so may result in your claim settlement being reduced. Please see the 'Settlement of claims' section under Sections A, B and D of this policy.

Each year prior to renewal of your annual policy you should review the amount for which you have insured your buildings and contents and inform us, prior to renewal, of any changes. For example, if home improvements have been carried out, such as the building of an extension or the conversion of the attic, or if you have purchased additional contents, the sums insured should be increased to reflect this.

Other factors should also be considered when setting your sums insured such as the costs of materials / contents, inflation, the availability and cost of labour. You can refer to the SCSi website as a guide for setting your sums insured.

# Home Protection Tips

## Storm

To minimise damage from storms, we suggest the following:

- Mineral felt roofs have a limited life span and are subject to wear and tear and deterioration over time. Check the roof covering at regular intervals and replace the felt where there are signs of deterioration. Remember, your Policy does not cover the maintenance costs involved in repairing or replacing the roof. The Policy specifically excludes damage caused by wear and tear and gradual deterioration.
- Ensure your tiles and guttering are secure.
- Check that the gutters and drains are not blocked.
- If a storm is forecast, make sure all gates are bolted. Put any garden furniture, lawnmowers or plant pots in a garden shed and lock it.

## Fire prevention

Every year many people are killed or injured and homes are destroyed as a result of domestic fires. You can reduce the risk of fire by taking the following precautions:

- Do not overload an electrical point. Unplug all appliances when not in use.
- Repair faulty wiring, frayed leads and loose plugs.
- All fires and heaters should have a secure fireguard.
- Chimneys should be swept at least once a year.
- You should install at least two smoke detectors in your house. Smoke detectors should be tested regularly to ensure they are working properly. Change the batteries at least twice a year.

## Water damage

There are various weather hazards which you cannot avoid, but against which you can protect your home.

- Should your home become unoccupied during the period between the 1st November to 31st March, the water should be turned off at the mains (or from its supply if not on mains) and the water system and tank (but not heating system) drained.
- Where the property is unoccupied and is being inspected on a weekly basis, we would recommend that a written record is maintained including the date and time of inspection.
- Lag pipes and water tanks wherever possible.
- Leave the underside of tanks free to ensure rising warmth can reach them.
- Replace washers on dripping taps.

## Burglary prevention

Unfortunately, theft has become part of everyday life in many areas. Most thieves are opportunists who commit crimes when they spot an easily entered home. Such opportunities can be removed by fitting and using good quality locks on doors and windows and by installing an approved alarm system.

- All external doors should be fitted with five lever mortise deadlocks and the keys should be removed from the lock.
- All patio doors should be fitted with key operated patio door locks. The keys should be removable. A stop should be fitted in the top of the door frame to prevent the doors from being lifted out of their frame.
- All ground floor windows and other accessible windows, fanlights and roof lights should be fitted with key operated security locks or stops with removable keys or key-operated security bolts with removable keys.

**We** will automatically reinstate the sum insured from the date of payment of any claim unless **we** have given **you** written notice to the contrary before payment.

## Retention Amount

Our priority is to provide financial support to customers throughout the claim process to ensure any repair/reinstatement work is completed as quickly as possible. Where **we** opt to pay the costs of repair or reinstatement as above, **we** may:

- (a) release a proportion of the estimated cost of repair or reinstatement prior to completion of the work;
- (b) pay the balance (otherwise known as the "retained amount") to **you** on completion of the work and on receipt of appropriate documentation validating the costs incurred by **you** for the repair or reinstatement work (including VAT invoices).

The retained amount will not exceed:

- (i) 5 per cent of the claim settlement amount in a case in which the claim settlement amount is less than €40,000; or
- (ii) 10 per cent of the claim settlement amount in a case in which the claim settlement amount is €40,000 or more.

## Underinsurance

Our liability for repair or reinstatement following insured loss or damage shall not exceed the sum insured on **buildings** at the time of loss or damage.

To safeguard your financial interest in your property **you** must insure the full reinstatement value of your **buildings**, which should include due allowance for debris removal costs, architects, surveyors, consulting engineers and other fees necessarily incurred in the reinstatement of the property. Failure to do so will result in your claim settlement being reduced.

The **buildings** sum insured as stated in the schedule is subject to the following condition of average:

If the sum insured on **buildings** at the time of the insured loss or damage is less than the cost of rebuilding as new all the **buildings** (including fees as above) covered by this policy and such difference is greater than 15% of the rebuilding cost as new, **we** will pay only that proportion of the loss or damage which the sum insured bears to the cost of rebuilding as new all the **buildings** covered by this policy.

## Additional costs

**We** will pay the necessary and reasonable expenses that **you** incur in reinstating the **buildings** following loss or damage insured under this section, namely:

- fees to architects, surveyors, consulting engineers and others
- the cost of clearing the site and making it and the **home** safe
- the cost of complying with any government or local authority requirement following loss or damage unless **you** were given notice of the requirement before the loss or damage.

**We** will not pay:

- fees for preparing a claim under this section
- costs in respect of undamaged parts of the **buildings** (except the foundations of the damaged parts).

## Index Linking

**We** will monitor rebuilding costs using a range of appropriate indices and market information that **we** have available to **us**.

At renewal, we will automatically adjust the Buildings sum insured (but not any monetary limits) to help protect you against inflation.

This adjustment of the sum insured will be subject to a minimum increase of 1% in the reviewed indices during the period of insurance.

This adjustment of the sum insured will apply to every policy including those which are under repair following a claim provided required repairs or reinstatements are carried out without delay.

It is important to note that index-linking is not specific to your property and relying on index-linking alone may not be sufficient to protect you from underinsurance. This is especially important if you have made changes, additions or upgrades to your home. It is vital that you review your sum insured regularly to ensure you have adequate cover to meet your needs.

The most **we** will pay under paragraphs 1 to 13 and 31 is the sum insured by this section but see the limitations on pages 11-13 with regard to collections of stamps, coins or medals, satellite dishes, receivers and ancillary equipment and **valuable property**.

To safeguard your financial interest in your property **you** must insure the full replacement value as new of your **contents**. Failure to do so will result in your claim settlement being reduced.

The **contents** sum insured as stated in the schedule is subject to the following condition of average:

If the sum insured on **contents** at the time of the insured loss or damage is less than the cost of replacing as new all the **contents** covered by this policy and such difference is greater than 15% of the replacement cost as new, **we** will pay only that proportion of the loss or damage which the sum insured bears to the cost of replacing as new all the **contents** covered by this policy.

## Index Linking

At renewal we will adjust the sum insured (but not any monetary limits) in line with the relevant sections of the Consumer Price Index as issued by the Central Statistics Office.

This adjustment of the sum insured will:

- be subject to a minimum increase of 1% in the consumer price index during the period of insurance
- continue after any insured loss or damage if required repairs or reinstatement are carried out without delay.

It is important to note that index-linking is not specific to your contents and relying on index-linking alone may not be sufficient to protect you from underinsurance. It is vital that you review your sum insured regularly to ensure you have adequate cover to meet your needs, particularly where you have added to your contents.

When **you** notify **us** about a change as above, or if **you** otherwise become aware of any such change, as referenced above, **we** may reassess the premium chargeable and Policy cover more generally.

**We** may refuse a claim made by **you** where there has been a change in the subject matter of the Policy which results in a new risk which **we** did not agree to cover and which was beyond the reasonable contemplation of **us** and **you** when the Policy was entered into. Failure to disclose any such change may result in difficulty obtaining insurance in the future.

All monies which become payable by **us** under this Policy shall in accordance with Section 93 of the Insurance Act 1936 be payable and paid in the Republic of Ireland.

The appropriate Stamp Duty has been or will be paid in accordance with the provisions of the Stamp Duties Consolidation Act, 1999.

#### 16. Premium Alterations

If an alteration to the policy results in an additional premium due to **the Insurer** or a refund premium due to the Insured, **we** will only charge or refund such premium provided the amount involved is greater than or equal to €10.

#### 17. Let Properties

If the property is let, there must be a tenancy agreement in place between **you** and the tenant directly for a minimum tenancy term of 12 months.

#### 19. (1) Pre-contractual Representations

**You** acknowledge and accept the following:

- (a) **you** have a legal duty prior to entering into this Policy and/or prior to the renewal of this Policy to provide responses to questions asked by **us** in relation to the risk(s) to be insured.
- (b) a matter about which **we** ask a specific question is material to the risk undertaken by **us** or the calculation of the premium by **us**, or both.
- (c) **you** have a legal duty to answer all questions asked by **us** honestly and with reasonable care.
- (d) while **we** acknowledge that **you** have no legal duty of voluntary disclosure, **you** shall ensure that information which is voluntarily provided by **you** or on your behalf is provided honestly and with reasonable care.

## **(2) Remedies for Misrepresentation**

- (a)** The term “negligent misrepresentation” means a representation made without reasonable care but which was not fraudulent. Where a claim is made under the Policy but an answer which was provided, or information which was volunteered, by **you** or on your behalf involves a negligent misrepresentation, the remedy available to **us** shall reflect what **we** would have done had **we** been aware of the full facts and shall be based on a compensatory and proportionate test, as follows:
- (i) if **we** would not have entered into the Policy on any terms, **we** may avoid the Policy from inception or renewal (as the case may be) and refuse all claims, but shall return the premium paid;
  - (ii) if **we** would have entered into the Policy, but on different terms, the Policy is to be treated as if it had been entered into on those different terms if **we** so require;
  - (iii) if **we** would have entered into the Policy, but would have charged a higher premium, **we** may reduce proportionately the amount to be paid on the relevant claim.
- (b)** Where an answer which was provided, or information which was volunteered, involves a negligent misrepresentation which is identified at a time prior to there being any claim under the Policy, **we** may either:
- (i) give notice to **you** that in the event of a claim **we** will exercise the remedies in paragraphs (a)(i)-(iii) above as appropriate; and/or
  - (ii) terminate the Policy by giving reasonable notice.
- (c)** Where a claim is made under the Policy but an answer which was provided, or information which was volunteered, by **you** or on your behalf involves a fraudulent misrepresentation, or where any conduct by **you** or on your behalf (relative to the Policy or the steps leading to its formation) involves fraud of any other kind, **we** shall be entitled to avoid the Policy from the date of commencement or renewal (as the case may be) without return of premium.

## **20. Effect of Continuing Restrictive Conditions**

In this Policy, any term that imposes a Continuing Restrictive Condition, including one that is intended to reduce the risk of a particular type of loss, or reduce the risk of loss occurring at a particular time or in a particular location, shall be treated as a suspensive condition. This means that if:

- (a)** **you** breach any such term; and
- (b)** during the period of breach **you** suffer a relevant loss; and
- (c)** such breach increased, in the circumstances concerned, the risk of the loss suffered by **you**, **we** will have no liability for the loss.

A Continuing Restrictive Condition is any condition in this Policy, however expressed, that purports to require **you** to do, or not to do, a particular act or acts, or requires **you** to act, or not to act, in a particular manner (and any condition the effect of which is that a given set of circumstances is required to exist or to be maintained or not to exist shall be taken as falling within this definition).

## 21. Subrogation Limits

For the purposes of this condition only, the expression "insured person" shall mean **you** and any other person entitled to be indemnified under this Policy.

This clause applies where **we** have the right to be subrogated to the insured person's rights against some other person but the insured person has not exercised those rights and might reasonably be expected not to exercise those rights because the insured person and the other person are members of the same family (to be construed in accordance with the Employment Equality Act 1998), or are cohabitants (to be construed in accordance with the Civil Partnership and Certain Rights and Obligations of Cohabitants Act 2010).

Where in the above circumstances the other person is not insured in respect of their liability to the insured person, **we** do not have the right to be subrogated to the insured person's rights against that other person. Where the other person is so insured, **we** may not recover from the other person an amount greater than the amount that that person may recover under their insurance policy.

This clause does not apply where the conduct of the other person that gave rise to the loss involved serious or wilful misconduct.

If the Insured Person is an employer, **we** will not exercise our right of subrogation against an employee except where the loss was caused by an employee intentionally or recklessly and with knowledge that the loss would probably result.
